

# Sure, it works. But now there's a better way.

**Stop trading off and start trading in.** Why settle for aging technology? With great trade-in offers and special rebates, there's never been a better time to take advantage of the latest advances in Xerox printing technology.

## Trade-in and special rebate offer

Upgrade to an award winning Xerox color or black and white printer or multifunction printer (MFP) and receive a rebate when you trade-in your old technology. Additionally, you can receive a *special rebate* when you purchase a ColorQube 8570, Phaser 7500, 7760, 6180MFP or 8560MFP when trading in specific, eligible products.
